

Accessibility Statement

Accessibility Statement

J-P Construction LLC is committed to providing a website that is accessible and easy to use for all visitors, including individuals with disabilities. We strive to provide equal access to information about our roofing and construction services and to continually improve the accessibility and usability of our website.

We are working to make our website conform, where reasonably practicable, with generally recognized accessibility standards, including the **Web Content Accessibility Guidelines (WCAG) 2.1 Level AA**. Our goal is to ensure that visitors can navigate our website, access information, contact our company, and learn about our services regardless of the technology or assistive device they use.

We recognize that accessibility is an ongoing process. Although we make reasonable efforts to maintain an accessible website, some portions of the website or third-party content may not yet fully meet every accessibility standard. We regularly review our website and take reasonable steps to identify and address accessibility barriers as they are discovered.

Accessibility Assistance

If you experience difficulty accessing any information, feature, form, image, document, or other content on our website because of a disability, please contact us. We will make reasonable efforts to provide the information or assistance you need through an alternative method.

When contacting us regarding an accessibility concern, please provide the webpage or feature you are having difficulty accessing and, if possible, describe the nature of the issue. This information will help us identify and address the problem as efficiently as possible.

Equal Access

We are committed to providing our customers with equal access to our services and to treating individuals with disabilities with respect and fairness. Nothing in this Accessibility Statement is intended to limit or waive any rights or protections available under applicable federal or Iowa law, including the Americans with Disabilities Act and the Iowa Civil Rights Act.

Contact Us

For accessibility questions, requests for assistance, or to report an accessibility issue, please contact:

J-P Construction LLC
